WELCOME ABOARD...

Our cabin cruisers range from 30 to 36 feet in length and are licensed for up to 6 passengers. All passengers 17 and older are required to have a Michigan all species fishing license. A one-day license covering all Michigan licensing requirements for residents and non-residents is available on-line at www.michigandnr.com.

50% deposit is required to confirm your fishing charter with one-week notice for cancellations. In case of bad weather your deposit will be refunded.

Our boats are State inspected, licensed and are equipped with the latest safety equipment because your safety is important to us.

Multiple boats are available to serve you.

WHAT TO BRING...

To make your trip most enjoyable, we suggest you bring a warm jacket, soft soled shoes, sunglasses and your camera. You are welcome to bring food and beverages of your choice and a cooler to transport your catch home. We furnish all bait and tackle. Your fish will be cleaned and packaged free of charge for your trip home.
